

Millbrook High School PTSA Membership Drive and "No Fuss" Fundraiser 2016-2017

Why Should I Join The PTSA?

Joining the PTSA is an easy way to show support for not only your own child-but every student in our school community. PTSA at its very core is about maintaining and expanding public education impact on our kids.

PTSA advocates for key initiatives including:

- Parental involvement
- School and teacher funding
- Accountability programs around funding, learning and closing the achievement gap
- Access to technology that supports real life skills and learning
- Health and wellness both physically, socially and mentally

Join MHS PTSA-it's the best \$5 you will spend this year. Note that membership dues are not only used to pay for local and national PTSA dues. Please consider also making a direct donation to our "No Fuss" fundraiser to help support our programs. Thank you!

What is a "No Fuss" Fundraiser and why should I donate?

Some of the programs that our PTSA will be supporting this year include: teacher grants, Honor Roll and Character Education breakfasts, student planners for all freshman students, Millbrook Family Adoption, student scholarships and teacher/staff appreciation.

In order to meet our goals to fund these and other PTSA activities, we need to raise approximately \$35,000. In the past we have had multiple fundraisers, but feedback has shown that parents would prefer to make a direct donation. A "No Fuss" fundraiser is a tax deductible contribution and **100% is applied to our programs.**
